FINE BALANCE

Even if you have one dominant hue, you can include complementary colors. Bouquet of yellow cymbidium and phalaenopsis orchids, bupleurum and euphorbia, \$350, from Renny & Reed, rennyandreed.com.

LEMON DROPS

Yellow snapdragons and phalaenopsis orchids look especially fresh when paired with variegated geraniums, as in this bouquet, \$175, from Ovando, ovandony.com.
